

The Massachusetts CFIDS/ME & FM Association held its Fall 2011 educational forum, co-sponsored by the Massachusetts Department of Health, on November 5, 2011 at the UMass-Hinton State Laboratory Institute Auditorium in Jamaica Plain, MA.

The meeting was a review of research and other content from the September 2011 International Association for Chronic Fatigue Syndrome /Myalgic Encephalomyelitis (IACFS/ME) Conference held in Ottawa, Canada. The written summary is in two parts.

[Part 1: Dr. Anthony Komaroff's review of the conference highlights](#) (presented at the meeting on audio, with accompanying slides)

[Part 2: Dr. Kenneth Friedman and Dr. Alan Gurwitt](#) spoke about other studies, news and developments.
